IMPORTANT

If your Brokerage charges a transaction fee or buyer broker fee of any kind, it needs to be added to the seller paid closing cost request. If it is not included in addition to the seller paid closing costs then your buyer will need to pay it directly to you. Berry Rock Homes will not pay any transaction/buyer broker fees. Example: Brokerage charges a $395 transaction fee and the seller paid closing cost request is $6,250 on the chart on page 2, then total seller paid closing cost request on the offer will need to be $6,645.

NAR COMPENSATION NOTICE

In light of the NAR compensation lawsuit please note that in order for Berry Rock Homes to purchase a home the compensation being paid by the seller must match the Buyer Broker Agreement. If the compensation does not match we will not sign the offer. If Realtor wants additional compensation that will need to be paid by our client directly to the Brokerage or delivered to Berry Rock Homes for additional Realtor compensation within 3 days of being under contract with the 7% option consideration. If it is not received during that time frame the transaction will be canceled or Realtor can amend Buyer Broker agreement to match the negotiated seller paid compensation.
